

## AQUA VANITY

*(Stainless Steel)*

NAME	AQUA VANITY (Stainless Steel)
PRODUCT	1004-V
DIMENSIONS	W 50" X D 22" X H 34"
SHOWN IN	Materials: Stainless Steel, Ice-Resin Color: Aqua Stainless, Clear Amethyst Finish: Crystal Coated, Polished
DESCRIPTION	<p>The Aqua Vanity is a modern free standing single bathroom vanity designed by Sylvan S.F. The exterior is clad with a unique aqua stainless steel that continues along the front and sides. The Aqua Vanity dazzles as light reflects light from the crystal coated wave-like surface. Three hidden storage drawers open on push to reveal solid mahogany drawers finished in polished walnut. The hand-polished ice-cracked crystal resin sink countertop radiates as light bounces through the translucent faceted medium. The vesseled countertop may also be luminated for a dramatic effect.</p> <p>A special "crystal coating" is applied to metal surfaces to prevent fingerprints or corrosion. Plumbing fixtures and any installation hardware not included.</p>
