DESCRIPTION	This imaginative sculptural Octopus Console table is a limited edition functional art piece by Sylvan SF. The exquisite life-like octopus table base is finished with a white high gloss resin and detailed with hand-made bronze suction cups along the tentacles. The tabletop floats above in a wave of clear-amethyst resin. Through the magnifying wave-like effect off the resin top the octopus is imagined floating in an ocean of water.
NOTES	Please inquire for pricing, availability, and other available finishes. Limited Edition Art Series by Sylvan S.F. with only 5 made.
