

COPPER CONSOLE

(Limited Edition Art Piece)

NAME	COPPER CONSOLE
PRODUCT	3006
DIMENSIONS	W 96.5" X D 20" X H 33.5"
SHOWN IN	Material: Copper, Ice Resin Color: Copper, Copper Finish: Hand Polished High Gloss
DESCRIPTION	The Copper Console consists of a sculptural organic form base that holds up an elongated copper table top. The functional art sculpture is formed by hand through a labor intense hammering and cladding process. A thin layer of ice-cracked resin in a corresponding hue solidifies the look. Copper portion is sealed with a protective 'crystal coating' and the top is hand polished to perfection with lacquer gloss.
