DESCRIPTION	<p>The Vergrando Vanity is a contemporary free standing double bathroom vanity designed by Sylvan S.F. The body is mantled in hand-dyed goatskin and brass panels. This statement piece comes with two fractal resin sinks. The artisinal hand-fractured resin dazzles as light refracts and bounces through the striking medium. The goatskin is finished in a protective high-gloss lacquer while the brass is coated with a special protective "crystal coating."</p> <p>Doors open on push to reveal a polished mahogany interior. The interior center features a set of storage drawers faced in polished brass. Multiple goatskin, ice-cracked resin and metal finishes available by cusstom order.</p>
