

COPPER DINING TABLE

NAME	COPPER DINING TABLE
PRODUCT	4006
DIMENSIONS	W107.5" X D 48.5" X H 29"
SHOWN IN	Material: Copper, Ice- Resin Color: Polished, Copper Finish: Crystal Coated, Hand Polished
DESCRIPTION	The Copper Dining Table consists of a sculptural organic form base and a suspended elongated copper table top. The functional art sculpture is formed by hand through a labor intense hammering and cladding process. A thin layer of ice-cracked resin in a corresponding hue solidifies the look. Copper portion is sealed with a protective 'crystal coating' and the top is hand polished to perfection.
