| DESCRIPTION | <p>The Neptune Vanity is a contemporary free standing single bathroom vanity cabinet and sink set designed by Sylvan S.F. The body is finished in hand-dyed shagreen that has been handcut and inlaid to perfection. A thick hand-polished crystal coat protects the leather surface from moisture while adding a luxury sheer. Six hidden storage drawers open on push to reveal a solid mahogany interior finished in polished walnut.</p> <p>The hand-polished ice-cracked resin sink countertop radiates as light bounces through the translucent faceted medium. The Ice-cracked resin is easily maintained and is sealed with a resin glaze that is smooth to the touch. Countertop may also be luminated for a dramatic effect (custom).</p> |
