

## AQUA CONSOLE

*(Limited Edition Art Piece)*

NAME	AQUA CONSOLE (Glacier White)
PRODUCT	3007-RW
DIMENSIONS	W 109" X D 28" X H 33"
SHOWN IN	Material: Hammered Brass w/Resin coat Color: White Resin Finish: Hand Polished High Gloss
DESCRIPTION	Using a labor-intensive hand hammering technique our artisans manipulate the metal of the Aqua Console bit by bit to create a one-of-a-kind art installation piece. It is mastered with a thick white resin and hand polished with a high gloss coat. The Aqua Console glistens as light reflects off the high gloss resin and wave-like shape.
NOTES	A special 'crystal coating' is applied to the console for protection against corrosion & fingerprints. Please inquire for pricing and lead time. Available in Tortoise Brass, limited quantity available.
