DIMENSIONS	W 14" X D 10.50" X H 21"
SHOWN IN	Materials: Brass, Ice-Cracked Resin Color: Brushed, Polished, Gold Leaf Finish: Crystal Coated, Crystal Coated, Polished
DESCRIPTION	The Cassian Side Table by Sylvan S.F. is a modern c-shaped side table composed of polished brass and ice-cracked resin. The ice-cracked that glistens as light bounces through the hand-crafted medium. The base is accentuated with lug nut detailing finished in polished brass. A special crystal coating is applied to the metal protecting the finish from fingerprints and tarnishing. Multiple resin colors available.
